### Children

Children are welcome at Grand River Raceway, but must be under adult supervision at ALL times.

### Program Policy – Grand River Raceway 'live' racing programs only:

If less than 5 races have run, guests may exchange the program for another 'live' program. The actual canceled program must be presented for exchange. No refunds.

If 5 or more races have run, there will be no exchange.

### General Operations

Supervision of the pari-mutuel betting and drug control services is provided by the Canadian Pari-Mutuel Agency (CPMA), a division of Agriculture Canada, the Honourable Lawrence MacAulay M.P. All pools are calculated and distributed in accordance with these Regulations. All tickets should be held until the result of the race is declared official. No minor shall purchase or cash a pari-mutuel ticket. Approximate odds represent the probable pay-out price of the win pool at the time they are posted and have no bearing on the pay-out price for any other pool. Where approximate odds for any horse are posted as "1-9", the pay-out price based on a \$2 bet on the win pool may be as low as \$2.10. All tickets should be kept until the result of the race is declared official. No ruling made by the Judges or the Alcohol And Gaming Commission of Ontario (AGCO) with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official shall have any bearing on the pay-out prices or distribution of pari-mutuel pools. In the case of foreign separate pool betting, the rules of racing are those of the governing body that regulates the race.

### Cancellation Policy

In the event that cancellation of races should result for any reason after four races have been run, no refunds or issuance of rain checks will be made. If a cancellation results before the completion of four races, and upon producing the day's Official Program at the seller's booth, a next day's racing program will be exchanged.

### Refunds

Subject to the provisions of the Federal Regulations, all monies bet in all pools on a race are refunded in the event that the race is canceled, declared off, declared no contest or postponed beyond the racing card for which it was scheduled. Subject to the Regulations, all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. Where a horse that is part of an entry is a late scratch and at least one horse of that entry or mutual field starts in the race, all tickets purchased on that entry or mutual field remain valid, and the purchase price of any such ticket shall not be refunded.

### Fair Start

The starter shall have control of the horses from the formation of the post parade until a start has been determined. For purpose of this rule, the determination of the start is when the horses have passed the starting point and have been released by the starter. 22.03 (h) There shall be no recall after the horses have been released by the starter. 22.03 (i) The starter shall endeavour to get all horses away in position and on gait. The starter shall only sound a recall for the following reasons: (i) A horse scores ahead of the starting gate; (ii) There is interference before the horses have reached the starting point; (iii) A horse has broken equipment, which the starter notices; (iv) A horse falls before the starting point; (v) A horse coming to the starting gate in the wrong position; (vi) A malfunction of the starting gate or in the interests of safety. 22.03 (l) If a horse has not reached the Fair Start Pole when the horses are released at the starting point by the starter, the judges shall cause the "inquiry" sign to be displayed immediately.

### Breaking Rule

When a horse breaks from its gait in a race the driver shall: (a) take the horse to the outside of other horses where clearance exists and; (b) properly attempt to pull the horse to its gait; (c) lose ground while on the break. If there has been no violation of (a), (b) or (c) above, the horse shall not be set back unless a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish, however, notwithstanding the foregoing, if interference caused by another driver(s) or horse(s) has caused the horse to be on a break at the finish, the judges may, in their discretion determine not to set the horse back even if a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish. The judges may set any horse back one or more places if, in their judgment, any of the above violations have been committed, or if the horse goes on an extended break, and the driver may be penalized.

### Entry or Field in an Exacta

Exacta pools on races that have an entry (1 and 1A and/or 2 and 2B) or mutual field (14f, 15f...) will not offer a wager combining both halves of the same betting interest (ie. 1-1, 2-2, field-field). If the same betting interest finishes first and second, the exactor payout will be on those horses finishing first and third.

### Daily Double & Late Double Betting

Where the daily double feature is operated, the daily double is a betting transaction in which the purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double and that if the purchaser of a daily double ticket fails to pick the winner of the first half of the daily double his bet is void and that all tickets in the second half of the daily double not coupled with the declared official winner of the first half of the daily double are void no matter what circumstances might affect the programmed running of the second half of the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools operated on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holders of all daily double tickets on such horses, coupled with the winner of the daily double race, shall participate in the Consolation Double pool.

Where the exacta feature is operated, the exacta is a betting transaction in which the purchaser of a ticket undertakes to select the first two horses to finish, in the exact order of finish, in the race on which the feature is operated.

### Trifecta Betting

A Trifecta bet is a betting transaction in which the purchaser of a ticket undertakes to select the first three horses representing different betting interests to finish, in the exact official order of finish, in the race on which the feature is operated.

In the event no one correctly selects all five winners in order, 100 per cent of the net pool will be carried over to the next Super Hi-5 race.

### Pick-3 or Pick-4 Betting

The Pick-3 and Pick-4 features are betting transactions in which the purchaser of a ticket undertakes to select the winners of three or four consecutive races on which the Pick-3 or Pick-4 is scheduled to be run. The winning combination of horses constituting a winning ticket shall be those horses that finish first, in the official order of finish in each leg or feature. When no tickets have been sold on coupling horses finishing first in the official order of finish, there is no winning wager and the pool is refunded. (1) In the event a Pick-3 or Pick-4 feature ticket designates as a selection in any one or more of the races comprising the Pick-3 or Pick-4, a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in the race, the favorite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch(s) occurred, will be substituted for the non-starting selection for all purposes. (2) In the event that the money bet in the win pool for (2) two or more favorites is identical, the selection identified in the lowest program number shall be substituted for the non-starting selection.
