Grand River Raceway

By Ken Middleton, Jr. – Friday, July 12

Most Probable Winner:

Race 8 - #1 Duchenne

Longshot Special

Race 10 - #5 Rilkoff

Race 1 Selections 7-8-4-2

7 LARJON LOOKER blew away the foes he faced in his latest over Clinton's half-mile oval. I can see him fine-tuning his speed over this strip. Slight edge here.

8 B JS CHOICE has flashed sharp overall speed, but his lack of gate speed is concerning. Contender.

4 ITS ONLY A GAME stepped home in :27.3 in his qualifier at Mohawk Park. He's worth a look in here.

Race 6 Selections 2-7-1-3

2 WILD DOC HOLLIDAY was a handy winner upon returning to this oval in his latest outing. The son of Betterthancheddar has a big chance to double up.

7 SOUTHWIND INFUSION did good things in his last two attempts for trainer Lendvoy. Exacta factor here.

1 DANCELIKE EHSKIPPR was a speedy third-place finisher last time. He can crack the top three again.

Race 2 Selections 4-5-6-1

4 ITS NOT MY VAULT looked good in each of her local preps for trainer Baxter. Her :29.2 closing speed in her latest outing catches my eye. Top call here.

5 SHESAMANALISHI stepped up her speed in her latest qualifier. She merits serious consideration.

6 P C CHATTAHOOCHEE did everything asked of her in her qualifiers. She can crack the top three.

Race 7 Selections 1-9-4-6

1 D A MAGIC MIKE was denied a third straight score when he settled for a fourth-place finish in his latest. He gets the rail to work from tonight. Top call in here.

9 MINOTAUR missed three weeks of racing going into his latest. Steacy sends out a strong 1-2 punch.

4 BOBCAYGEON fought hard last time and came away with a fourth-place finish. He can share again.

Race 3 Selections 6-4-5-7

6 MS QUICK SAND attacked from first-over in her latest outing and came away victorious in 1:53.3. She has the speed and skill needed to double up in here.

4 SAULSBROOK OLYMPIA gets a scenery change to work with tonight. Exacta factor against this group.

5 WILDCAT DELIGHT has won two of her last three tries over this oval for Team MacDonald. Contender.

Race 8 Selections 1-4-2-3

1 DUCHENNE has found her form in her last two tries for trainer Beaton, who gets the rail to work from this evening. She has the speed and skill to beat these.

4 GIMMIE A CORONA takes a break from Mohawk Park and it might lead to improvement. Exacta factor.

2 LADIES FROM HELL has hit the ticket in five of her last six assignments. She's a top three threat again.

Race 4 Selections 5-1-2-4

5 TH EMMETT rallied to a win in his initial qualifier before making a miscue in his second attempt. I can see him playing a major role tonight. Top call in here.

1 SEEME ZOOM trotted an even-looking mile over this oval in late June for trainer McCabe. Contender.

2 TH WALKER miscued in his latest prep after being a winner in his debut effort. He can rebound in here.

Race 9 Selections 1-6-4-5

1 FEISTY LIKE FIRE got away slowly last time and never managed to get involved en route to a fourth-place finish. He can do some damage from the rail.

6 CHOREOGRAPHER was the runner-up in his last two attempts and I'll look for a similar effort in here.

4 CEREAL KILLER has hit the board in five of his last six assignments. He's a logical top three threat again.

Race 5 Selections 6-7-9-3

6 LADY GET LUCKY lacked staying power last time when she tried to go down the road. She hooks a softer group tonight and I'll give her nod as a result.

7 MYSTIC WILD ROSE was a lapped-on runner-up in her most recent performance. Exacta factor tonight.

9 ALWAYS A CATCH has struggled recently versus Mohawk Park foes. She can improve in this spot.

Race 10 Selections 1-3-8-6

1 SPORTY BOB threw in a clunker last time, but I'm hopeful he can rebound in this spot. The rail helps and hopefully the change of scenery does, as well.

3 BET ON SUNSHINE has hit the board in more than half of his starts this season. Exacta factor again.

8 AT EASE HANOVER was no match for Mohawk Park foes last time. He can bounce back in this spot.

Children

Children are welcome at Grand River Raceway, but must be under adult supervision at ALL times.

Program Policy – Grand River Raceway 'live' racing programs only:

If less than 5 races have run, guests may exchange the program for another 'live' program. The actual canceled program must be presented for exchange. No refunds.

If 5 or more races have run, there will be no exchange.

General Operations

Supervision of the pari-mutuel betting and drug control services is provided by the Canadian Pari-Mutuel Agency (CPMA), a division of Agriculture Canada. All pools are calculated and distributed in accordance with these Regulations. All tickets should be held until the result of the race is declared official. No minor shall purchase or cash a pari-mutuel ticket. Approximate odds represent the probable pay-out price of the win pool at the time they are posted and have no bearing on the pay-out price for any other pool. Where approximate odds for any horse are posted as "1-9", the pay-out price based on a \$2 bet on the win pool may be as low as \$2.10. All tickets should be kept until the result of the race is declared official. No ruling made by the Judges or the Alcohol And Gaming Commission of Ontario (AGCO) with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official shall have any bearing on the pay-out prices or distribution of pari-mutuel pools. In the case of foreign separate pool betting, the rules of racing are those of the governing body that regulates the race.

Cancellation Policy

In the event that cancellation of races should result for any reason after four races have been run, no refunds or issuance of rain checks will be made. If a cancellation results before the completion of four races, and upon producing the day's Official Program at the seller's booth, a next day's racing program will be exchanged.

Refunds

Subject to the provisions of the Federal Regulations, all monies bet in all pools on a race are refunded in the event that the race is canceled, declared off, declared no contest or postponed beyond the racing card for which it was scheduled. Subject to the Regulations, all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. Where a horse that is part of an entry is a late scratch and at least one horse of that entry or mutual field starts in the race, all tickets purchased on that entry or mutual field remain valid, and the purchase price of any such ticket shall not be refunded.

Fair Start

The starter shall have control of the horses from the formation of the post parade until a start has been determined. For purpose of this rule, the determination of the start is when the horses have passed the starting point and have been released by the starter. 22.03 (i) There shall be no recall after the horses have been released by the starter. 22.03 (i) The starter shall endeavour to get all horses away in position and on gait. The starter shall only sound a recall for the following reasons: (i) A horse scores ahead of the starting gate; (ii) There is interference before the horses have reached the starting point; (iii) A horse has broken equipment, which the starter notices; (iv) A horse falls before the starting point; (v) A horse coming to the starting gate in the wrong position; (vi) A malfunction of the starting gate or in the interests of safety. 22.03 (i) If a horse has not reached the Fair Start Pole when the horses are released at the starting point by the starter, the judges shall cause the "inquiry" sign to be displayed immediately.

Breaking Rule

When a horse breaks from its gait in a race the driver shall: (a) take the horse to the outside of other horses where clearance exists and; (b) properly attempt to pull the horse to its gait; (c) lose ground while on the break. If there has been no violation of (a), (b) or (c) above, the horse shall not be set back unless a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish, however, notwithstanding the foregoing, if interference caused by another driver(s) or horse(s) has caused the horse to be on a break at the finish, the judges may, in their discretion determine not to set the horse back even if a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish. The judges may set any horse back one or more places if, in their judgment, any of the above violations have been committed, or if the horse goes on an extended break, and the driver may be penalized.

Entry or Field in an Exacta

Exactor pools on races that have an entry (1 and 1A and/or 2 and 2B) or mutual field (14f, 15f...) will not offer a wager combining both halves of the same betting interest (ie. 1-1, 2-2, field-field). If the same betting interest finishes first and second, the exactor payout will be on those horses finishing first and third.

Daily Double & Late Double Betting

Where the daily double feature is operated, the daily double is a betting transaction in which the purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double and that if the purchaser of a daily double ticket fails to pick the winner of the first half of the daily double his bet is void and that all tickets in the second half of the daily double not coupled with the declared official winner of the first half of the daily double are void no matter what circumstances might affect the programmed running of the second half of the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools operated on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holders of all daily double tickets on such horses, coupled with the winner of the daily double race, shall participate in the Consolation Double pool.

Exacta Betting

Where the exacta feature is operated, the exacta is a betting transaction in which the purchaser of a ticket undertakes to select the first two horses to finish, in the exact order of finish, in the race on which the feature is operated.

Trifecta Betting

A Trifecta bet is a betting transaction in which the purchaser of a ticket undertakes to select the first three horses representing different betting interests to finish, in the exact official order of finish, in the race on which the feature is operated.

Superfecta Betting

A Superfecta bet is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interests to finish, in the exact official order of finish, in the race on which the feature is operated.

Super Hi-5 Betting

The Super Hi-5 wager is a betting transaction in which the purchaser of a ticket undertakes to select the first five horses representing different betting interests to finish, in the exact official order of finish, in the race on which the feature is operated. In the event no one correctly selects all five winners in order, 100 per cent of the net pool will be carried over to the next Super Hi-5 race.

Pick-3 or Pick-4 Betting

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively. Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

Pick 5 Betting

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively. If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

Pick 3, Pick 4 & Pick 5 Scratches

In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection. However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

Pari-Mutuel Deductions

The Association deducts and retains the following percentages from wagers placed on Grand River Raceway in Ontario which are then shared with the horsepeople. Horsepeople receive a further 2% on all wagers and an additional 2% on trifecta wagering. The Ontario Government retains .5% on all bets placed in Ontario. The Canadian Government retains .8% on all wagers placed in Canada.

Rule 7.15

For the purposes of this rule, a "ticket" is defined as a receipt or voucher that is issued by an association for one or more bets on a race or races. The association shall ensure that signs are clearly posted in all areas, or in application forms, where tickets are purchased or cashed, advising the public of the age restriction.
