

MEET THE COMPETITORS

ARCHIE

He loves to act the big guy with my Mum's German Shepherd and completely bullies her Golden Retriever.

BANDIT

Bandit loves to chase the deer and turkeys in our field and puts the run on the chipmunks! His best friend is our other wiener Bella. He hates the rain and we hope one day soon he will stop chewing his bed to pieces.

BUDDY

Buddy is a rookie racer looking to win his first race! He is very sociable and lovable.

CALVIN

Calvin loves to run around with his big sister and enjoys car rides with his ears flapping out the windows!

CHARLIE

Charlie is a spoiled, stubborn and loyal doggo! He practiced for the race by stealing dirty socks and underwear and running away from us. He definitely has 'Big Dog' energy!

CHORIZO

He competed the past two years and is looking to make his third appearance - going for the win! He also is a huge cuddler and loves when mommy and daddy ask him for "Besitos" which means "little kisses" and gives them in plenty ♡

DARBY

Middle name Burger, Darby enjoys sleeping in his heated blanket after a long day of running around in the sun and chasing worms back into the earth.

DUKE

Duke enjoys spending the day guarding the house and barking at delivery drivers. He loves belly rubs, chasing squirrels, and destroying basketballs!

FRANKY

Franky is a sweet but fierce competitor. She will kick it into high gear when she knows a piece of cheese is waiting at the finish line!

FRITZ

The Dog Father. When he's not dodging the pup-arazzi, he's kicking back under his electric blanket with his favourite salmon treats.

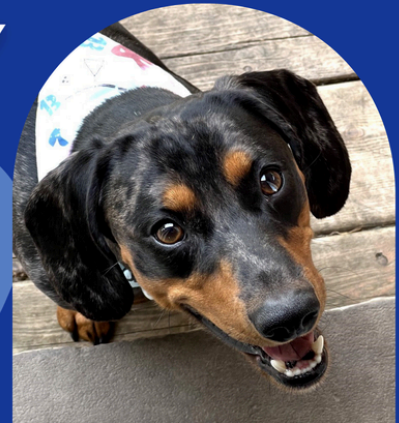

GUS

The two-time defending Grand River Champion is coming back to try for the 3-peat! Gus has been lightning fast ever since he was a baby, and is excited to be back again this year!

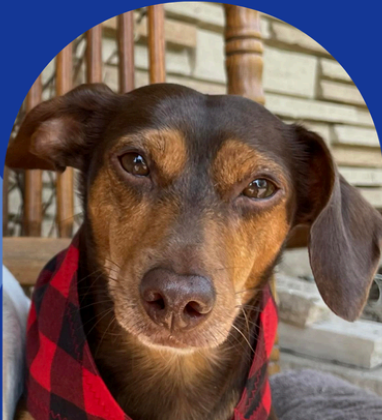

HERSEY

Third time competitor, Hershey, is excited to be back in action! He's still the same happy, silly boy who loves to cuddle and keep us laughing with his antics.

JACK

Jumpin Jack Flash is a speedy little wiener who loves his squeaky toys and treats. He loves playing outside with his puppy friends and chasing chickens.

KLAUS WILHELM

He's known as "World's worst walker" but did win Port Dover's Wiener Dog Races this year!

LUNA

Luna, aka Looney Tooney, is a tiny tank weighing in at 17 pounds. No matter how she races, her super friendliness and big floppy paws makes her a winner in our hearts!

LYNDA

Small & mighty is the perfect description of Lynda. By day she can be found hunting down wildlife at the lake and in the gardens. At night, if she isn't kayaking or paddle boarding, she is probably busy biting the tail of her giant brother Bruce.

MIJA

Little Mija's first time to the races - she is always into something, full of life, and often gets her way.

MURPHY

Loves all humans, dislikes squirrels and mailmen.

MOLLY

Molly is a city dog turned country. She can be caught going for a tractor ride, lounging by the pool or playing with her bestie Toby the aussie lab cross. Her top speed is 14 miles/hr, she may have little legs but they sure can run!

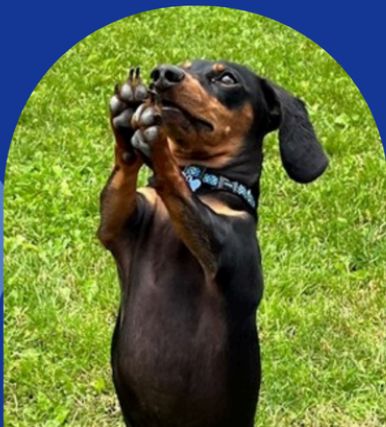

OLIVE

Belly rubs, sun bathing and treats is all she ever wants. Her nick name is Olly or Dobby because of her long pointy ears. She's racing with her brother Romeo.

OTIS

Otis loves the heat; the hotter the better. He knows more people & pets than we do. Otis loves Sunday breakfast in bed - Starbucks pup cup & a croissant...what a life!

OZZY

Ozzy dreams about squeaky rubber chickens. He loves cheese. He knows how to always burrow into the coziest blanket.

PHOEBE

Phoebe is a sassy, loving and loyal girl who loves to run! If you mess with her, her bone, or her daddy, she might come for you.

PIXEL

Pixel loves to spend his days snuggling under blankets, barking at all noises and nibbling at his sisters legs while they play.

RHIZOME

His name has two meanings, botanical and philosophical. When he wants to make friends he screams at the other dog.

ROSIE

Rosie loves burrowing under blankets, has an uncanny ability to find hidden treats, and insists on being the center of attention!

ROMEO

Romeo is a brave baby boy, who is full of love. He loves to run & play with friends but also has a stubborn and competitive side to him.

RUBY

Ruby also known as Scooby, would have a great chance at winning - only if she ran in a straight line!

RUFFESS

Ruffess maybe small but she has the heart of a lion. She can run like the wind, we are working hard to get that to be in a straight line.

SYBIL

Sybil is a free spirit, loves to bark, and does not like bikes.
