GRAND RIVER RACEWAY

By Ken Middleton, Jr. – Monday, August 4

Most Probable Winner:

Race 7 - #1 Gold Edition

Longshot Special

Race 4 - #5 TJ Bliss

Race 6 Selections 3-2-5-4

3 CRACK SHOT rode the inside last time and was right with them at the wire. He'd missed some time going into that effort. He can be on his toes tonight.

2 SET SHOT did the work last time only to get hauled down in the closing strides. He merits big respect.

5 CONTROL ROCKS has been on a recent heater for trainer Darling, who will look to keep the ball rolling.

Race 1 Selections 4-1-3-2

4 SAULSBROOK OLYMPIA was a lapped-on third over this oval last time, and hopefully she can turn in a similar effort in here. She has the speed and skill.

1 FATED FIRE was a fast-closing runner-up in her latest assignment. She merits a long look in this spot.

3 ONE LAST BET threw in a dull effort last time, but prior to that she'd been racing quite well. Contender.

Race 7 Selections 1-5-3-8

1 GOLD EDITION has racked up three consecutive wins for trainer Burgess, who gets the pole position to operate from in tonight's quest for the Grand Slam.

5 JGS PAL continues to be snake-bitten this year when it comes to winning. But he still merits a look.

3 JOHNNY BUCKSHOT miscued early last time and wiped out any chance of sharing. He can rebound.

Race 2 Selections 2-6-5-7

2 PINWOOD HANOVER got in with easier company in his latest and came away with an improved effort. He dips to an even softer level tonight. Top call here.

6 KAMERAN HANOVER is a classy veteran looking for his first win of the year. He merits respect tonight.

5 WHEELIN N STEALIN has hit the ticket in two of his last three outings. He can play a minor role again.

Race 8 Selections 3-4-7-6

3 THE GREEK FREAK pummeled softer foes in his latest outing, and that should serve as a confidence builder going in with this tougher group. Slight edge.

4 LAMBORGHINI LOU controlled fractions last time and out-sprinted his foes to the line. He can repeat.

7 DOCSPHILLYCHEESE has hit the board in more than half of his starts this season. Top three threat.

Race 3 Selections 7-5-3-6

7 SEVEN SUMMERS AGO put up a terrific fight last time and came away with the runner-up award as a result. A repeat of that effort makes her tough to beat.

5 HALF FAST was no match for Mohawk Park foes last time, but she should find this group much easier.

3 LDS SABEANNA has yet to miss a cheque in four tries, but she's still winless. She merits a look again.

Race 9 Selections 5-1-4-2

5 ALLSTAR MANIAC totes a two-race winning streak into this assignment. He's a versatile gelding who possesses both speed and skill. He's the one to beat.

1 BOXER SEELSTER has yet to win this year, but he's been close on occasion. Exacta factor in here.

4 TIP OF TIME did all of the roadwork last time only to get picked off in the closing strides. Top three threat.

Race 4 Selections 3-1-2-8

3 STONE SAWYER had little to offer in recent weeks versus foes at Mohawk Park, but the shift to this oval should help her find improvement. Top call tonight.

1 COOK THE BOOKS has done good things in three of her last four outings. She can be a prime player.

2 LADY GAMBLER threw in a clunker last time, but before that her form was decent. She can rebound.

Race 10 Selections 3-1-5-8

3 ROMANTIC BEAUTY stormed to a record setting score for Team McNair last week, and I'm going to go right back to her this afternoon. Slight edge today.

1 TH CHECK ME OUT came up just a neck short in last week's elimination. She's a major danger again.

5 DAYA has yet to finish worse than second in three outings for trainer Darling. Top three threat again.

Race 5 Selections 8-1-6-5

8 ALL LYNN has been quite productive in recent weeks for trainer McIntosh, who unfortunately has an challenging post to overcome tonight. Top call here.

1 CAPTAIN SASSY marched to the top and kept on rolling en route to a solid win last time. Exacta factor.

6 ROSIE BEACH nabbed small shares in her last two efforts, and I can see her playing a minor role again.

Race 11 Selections 3-4-1-6

3 BEAU JANGLES was perfect in his first two outings versus OSS Gold Series company, and there's little reason to see things changing today. Top call again.

4 TILTHECOWSCOMEHOME played second fiddle to my top pick recently. He could turn the tables today.

1 BORDERLINE MOBBY might be able to tag along for a good trip from this post. He's a top three threat.

Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- 1 Horse's number in the race
- 2 Horse's post position colour
- 3 Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- 4 Morning line odds
- 5 Horse's name
- 6 Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)

- 7 Trainer information
- 8 Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- 9 Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

Odds	1/2	2/1	7/2	5/1	10/1
Pays	\$3.00	\$6.00	\$9.00	\$12.00	\$22.00

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Children

Children are welcome at Grand River Raceway, but must be under adult supervision at ALL times.

Program Policy – Grand River Raceway 'live' racing programs only:

If less than 5 races have run, guests may exchange the program for another 'live' program. The actual canceled program must be presented for exchange. No refunds.

If 5 or more races have run, there will be no exchange.

General Operations

Supervision of the pari-mutuel betting and drug control services is provided by the Canadian Pari-Mutuel Agency (CPMA), a division of Agriculture Canada. All pools are calculated and distributed in accordance with these Regulations. All tickets should be held until the result of the race is declared official. No minor shall purchase or cash a pari-mutuel ticket. Approximate odds represent the probable pay-out price of the win pool at the time they are posted and have no bearing on the pay-out price for any other pool. Where approximate odds for any horse are posted as "1-9", the pay-out price based on a \$2 bet on the win pool may be as low as \$2.10. All tickets should be kept until the result of the race is declared official. No ruling made by the Judges or the Alcohol And Gaming Commission of Ontario (AGCO) with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official shall have any bearing on the pay-out prices or distribution of pari-mutuel pools. In the case of foreign separate pool betting, the rules of racing are those of the governing body that regulates the race.

Cancellation Policy

In the event that cancellation of races should result for any reason after four races have been run, no refunds or issuance of rain checks will be made. If a cancellation results before the completion of four races, and upon producing the day's Official Program at the seller's booth, a next day's racing program will be exchanged.

Refunds

Subject to the provisions of the Federal Regulations, all monies bet in all pools on a race are refunded in the event that the race is canceled, declared off, declared no contest or postponed beyond the racing card for which it was scheduled. Subject to the Regulations, all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. Where a horse that is part of an entry is a late scratch and at least one horse of that entry or mutual field starts in the race, all tickets purchased on that entry or mutual field remain valid, and the purchase price of any such ticket shall not be refunded.

Fair Start

The starter shall have control of the horses from the formation of the post parade until a start has been determined. For purpose of this rule, the determination of the start is when the horses have passed the starting point and have been released by the starter. 22.03 (i) There shall be no recall after the horses have been released by the starter. 22.03 (i) The starter shall endeavour to get all horses away in position and on gait. The starter shall only sound a recall for the following reasons: (i) A horse scores ahead of the starting gate; (ii) There is interference before the horses have reached the starting point; (iii) A horse has broken equipment, which the starter notices; (iv) A horse falls before the starting point; (v) A horse coming to the starting gate in the wrong position; (vi) A malfunction of the starting gate or in the interests of safety. 22.03 (i) If a horse has not reached the Fair Start Pole when the horses are released at the starting point by the starter, the judges shall cause the "inquiry" sign to be displayed immediately.

Breaking Rule

When a horse breaks from its gait in a race the driver shall: (a) take the horse to the outside of other horses where clearance exists and; (b) properly attempt to pull the horse to its gait; (c) lose ground while on the break. If there has been no violation of (a), (b) or (c) above, the horse shall not be set back unless a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish, however, notwithstanding the foregoing, if interference caused by another driver(s) or horse(s) has caused the horse to be on a break at the finish, the judges may, in their discretion determine not to set the horse back even if a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish. The judges may set any horse back one or more places if, in their judgment, any of the above violations have been committed, or if the horse goes on an extended break, and the driver may be penalized.

Entry or Field in an Exacta

Exactor pools on races that have an entry (1 and 1A and/or 2 and 2B) or mutual field (14f, 15f...) will not offer a wager combining both halves of the same betting interest (ie. 1-1, 2-2, field-field). If the same betting interest finishes first and second, the exactor payout will be on those horses finishing first and third.

Daily Double & Late Double Betting

Where the daily double feature is operated, the daily double is a betting transaction in which the purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double and that if the purchaser of a daily double ticket fails to pick the winner of the first half of the daily double his bet is void and that all tickets in the second half of the daily double not coupled with the declared official winner of the first half of the daily double are void no matter what circumstances might affect the programmed running of the second half of the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools operated on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holders of all daily double tickets on such horses, coupled with the winner of the daily double race, shall participate in the Consolation Double pool.

Exacta Betting

Where the exacta feature is operated, the exacta is a betting transaction in which the purchaser of a ticket undertakes to select the first two horses to finish, in the exact order of finish, in the race on which the feature is operated.

Trifecta Betting

A Trifecta bet is a betting transaction in which the purchaser of a ticket undertakes to select the first three horses representing different betting interests to finish, in the exact official order of finish, in the race on which the feature is operated.

Superfecta Betting

A Superfecta bet is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interests to finish, in the exact official order of finish, in the race on which the feature is operated.

Super Hi-5 Betting

The Super Hi-5 wager is a betting transaction in which the purchaser of a ticket undertakes to select the first five horses representing different betting interests to finish, in the exact official order of finish, in the race on which the feature is operated. In the event no one correctly selects all five winners in order, 100 per cent of the net pool will be carried over to the next Super Hi-5 race.

Pick-3 or Pick-4 Betting

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively. Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

Pick 5 Betting

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively. If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

Pick 3, Pick 4 & Pick 5 Scratches

In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection. However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.
