

## WIENER DOG RACES at Grand River Raceway

## RACE #2

AFTER  
HORSE  
RACE #5

1

### PEDRO GONZALES

Age: 3 • Weight: 19 lb

An avid wiener racer that has only won once. Still not discouraged! Can run backwards but hopefully won't do that on race day!

2

### BRANDO

Age: 2 • Weight: 13 lb

Looking to improve upon last years racing performance. Not only is he a couple lbs heavier but he is now approaching 2 years of age and had worked aggressively on learning to run in a straight line.

3

### PENNY

Age: 3 • Weight: 28 lb

Penny loves cuddles and treats! She's hoping to make a come back after some disappointing starts in previous races.

4

### JERRY

Age: 2 • Weight: 15 lb

Back again for another shot at becoming wiener race champ 2019! On his off days from training he enjoys nap tiime, belly rubs and getting into trouble with his big sis Abby the cat. Don't be fooled by his charming looks, this guy packs a lot of punch on race day!

5

### PIPPIN

Age: 3 • Weight: 10 lb

Pippin is our little monkey-wiener. She loves attention, treats and being our friendly neighbourhood greeter. This will be Pippy's third time at the races. She just did a mad dash around the backyard, letting me know she is in fine form to try it again.

6

### ELLIE

Age: 2.5 • Weight: 15 lb

Ellie is a very energetic dog who loves to fetch her toy for hours and then finish her day up by relaxing in the pool. All you need to do is meet her monce and she will be your best friend

Top 3 finishers advance to the Final (after horse race #7)
